

## $\alpha$ -Amylase HR Reagent

**Catalog Number:** CAK0085

**Price:** [Online Inquiry](#)

| Product Information      |                                                                                                                                  |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Product Name             | $\alpha$ -Amylase HR Reagent                                                                                                     |
| Content                  | 200 / 400 assays per kit                                                                                                         |
| Description              | This kit is used for the determination of $\alpha$ -amylase for research, biochemical enzyme;s and in vitro diagnostic analysis. |
| Analytes                 | $\alpha$ -Amylase                                                                                                                |
| Instruments              | Spectrophotometer, Auto-analyser                                                                                                 |
| Detection Method         | Absorbance                                                                                                                       |
| Wavelength (nm)          | 400                                                                                                                              |
| Limit of Detection       | 0.05 U/mL                                                                                                                        |
| Assay Time               | 30 min                                                                                                                           |
| Reproducibility          | 0.03                                                                                                                             |
| Shipping Temperature     | Ambient                                                                                                                          |
| Expiration Date          | > 2 years                                                                                                                        |
| Storage Temperature      | See individual component labels                                                                                                  |
| Signal Word              | Not Applicable                                                                                                                   |
| Hazard Statements        | Not Applicable                                                                                                                   |
| Precautionary Statements | Not Applicable                                                                                                                   |
