| Product Information |                                                |
|---------------------|------------------------------------------------|
| Product Name        | Mouse SELE(E-selectin) ELISA Kit               |
| Reactivity          | Mouse                                          |
| Assay Type          | Sandwich-ELISA                                 |
| Product Size        | 96T/48T                                        |
| Sample Type         | Serum, plasma and other biological fluids      |
| Sample Volume       | 100 µL                                         |
| Assay Time          | 3.5 h                                          |
| Detection Range     | 0.31-20 ng/mL                                  |
| Sensitivity         | 0.19 ng/mL                                     |
| Reproducibility     | Both intra-CV and inter-CV are < 10%           |
| Synonym             | CD62E, ELAM, ELAM1, ESEL, LECAM2               |
| Research Area       | Cancer, Cardiovascular, Immunology, Stem cells |
| Storage             | 2-8°C                                          |
| Expiration Date     | 1 month                                        |
