

## MS Mouse C5a(Complement Component 5a) ELISA Kit

**Catalog Number:** MAK0217

**Price:** [Online Inquiry](#)

| Product Information |                                                           |
|---------------------|-----------------------------------------------------------|
| Product Name        | MS Mouse C5a(Complement Component 5a) ELISA Kit           |
| Reactivity          | Mouse                                                     |
| Assay Type          | Sandwich-ELISA                                            |
| Product Size        | 48T/96T/96                                                |
| Sample Type         | Serum, plasma and other biological fluids                 |
| Sample Volume       | 25 µL                                                     |
| Assay Time          | 3.5 h                                                     |
| Detection Range     | 1.56-100 pg/mL                                            |
| Sensitivity         | 0.94 pg/mL                                                |
| Reproducibility     | Both intra-CV and inter-CV are < 10%                      |
| Synonym             | C5a                                                       |
| Research Area       | Cell Biology, Metabolism, Immunology, Signal transduction |
| Storage             | 2-8°C                                                     |
| Expiration Date     | 1 month                                                   |
