

## Human AGER(Total Advanced Glycosylation End Product Specific Receptor) ELISA Kit

**Catalog Number:** MAK1185

**Price:** [Online Inquiry](#)

Product Information	
Product Name	Human AGER(Total Advanced Glycosylation End Product Specific Receptor) ELISA Kit
Reactivity	Human
Assay Type	Sandwich-ELISA
Product Size	96T/48T
Sample Type	Serum, plasma and other biological fluids
Sample Volume	100 µL
Assay Time	3.5 h
Detection Range	78.13-5000 pg/mL
Sensitivity	46.88 pg/mL
Reproducibility	Both intra-CV and inter-CV are < 10%
Synonym	AGER, RAGE, Receptor for Advanced Glycation End products,
Research Area	Cancer, Cardiovascular, Neuroscience
Storage	2-8°C
Expiration Date	1 month
