

## Human FGF23(Fibroblast Growth Factor 23) ELISA Kit

**Catalog Number:** MAK1282

**Price:** [Online Inquiry](#)

| Product Information |                                                                |
|---------------------|----------------------------------------------------------------|
| Product Name        | Human FGF23(Fibroblast Growth Factor 23) ELISA Kit             |
| Reactivity          | Human                                                          |
| Assay Type          | Sandwich-ELISA                                                 |
| Product Size        | 96T/48T                                                        |
| Sample Type         | Serum, plasma and other biological fluids                      |
| Sample Volume       | 100 µL                                                         |
| Assay Time          | 3.5 h                                                          |
| Detection Range     | 15.63-1000 pg/mL                                               |
| Sensitivity         | 9.38 pg/mL                                                     |
| Reproducibility     | Both intra-CV and inter-CV are < 10%                           |
| Synonym             | FGF-23, ADHR, FGFN, HYPF, HPDR2, PHPTC                         |
| Research Area       | Cancer, Developmental biology, Signal transduction, Stem cells |
| Storage             | 2-8°C                                                          |
| Expiration Date     | 1 month                                                        |
