

SMD(Sulfametoxydiazine) ELISA Kit

Catalog Number: FSK0028

Price: [Online Inquiry](#)

Product Information	
Product Name	SMD(Sulfametoxydiazine) ELISA Kit
Reactivity	Universal
Sample Type	Muscle, Serum, Urine, Honey, Milk, Egg
Analytes	Quantitative analysis of Sulfametoxydiazine.
Reaction Temperature	25°C
Assay Time	45 min, 15 min
LOD (Detection Limit)	Muscle (method 1)-0.05 ppb; Muscle (method 2)-0.25 ppb;Serum, Urine-0.2 ppb, Honey-0.05 ppb; Milk-1 ppb.
Sample Preparation	Preparation methods are included in the kit description.
Instruments	Spectrophotometer, Microplate, Auto-analyser
Detection Method	Absorbance
Wave length (nm)	450 nm/630 nm
Detection Range	See the manual for details
Storage	2-8°C, avoid freeze
Expiration Date	1 year
