

TER(Terbutaline) ELISA Kit

Catalog Number: FSK0054

Price: [Online Inquiry](#)

Product Information	
Product Name	TER(Terbutaline) ELISA Kit
Reactivity	Universal
Sample Type	Muscle, Serum, Liver, Urine
Analytes	Quantitative analysis of Terbutaline.
Reaction Temperature	25°C
Assay Time	30 min, 15 min
LOD (Detection Limit)	Serum-0.5 ppb; Muscle, Liver-1 ppb
Sample Preparation	Preparation methods are included in the kit description.
Instruments	Spectrophotometer, Microplate, Auto-analyser
Detection Method	Absorbance
Wave length (nm)	450 nm/630 nm
Detection Range	See the manual for details
Storage	2-8°C, avoid freeze
Expiration Date	1 year
