

Gen(Gentamicin) ELISA Kit 2

Catalog Number: FSK0098

Price: [Online Inquiry](#)

Product Information	
Product Name	Gen(Gentamicin) ELISA Kit 2
Reactivity	Universal
Sample Type	Cell-culture, Serum, Water, Vaccine
Analytes	Quantitative analysis of Gentamicin.
Reaction Temperature	25°C
Assay Time	30 min, 15 min
LOD (Detection Limit)	Cell-culture,Serum,Water,Vaccine-15 ppb
Sample Preparation	Preparation methods are included in the kit description.
Instruments	Spectrophotometer, Microplate, Auto-analyser
Detection Method	Absorbance
Wave length (nm)	450 nm/630 nm
Detection Range	See the manual for details
Storage	2-8°C, avoid freeze
Expiration Date	1 year
