

Subcloning of mouse anterior cranial bone cells (MC3T3-E1 Subclone 14 Luc)

Catalog Number: LC0038

Price: [Online Inquiry](#)

Product Information	
Product Name	Subcloning of mouse anterior cranial bone cells (MC3T3-E1 Subclone 14 Luc)
Specifications	1*10 ⁶
Storage and transportation	Dry ice preservation/T25 live cell transportation.
Cell name	MC3T3-E1 Subclone 14-Luc
Cell morphology	Fibroblast like, adherent cell
Passage ratio	1:3~1:5
species	Mouse
Construction method	Virus Method
Mycoplasma testing	negative
Cultivation System	90% Alpha MEM+10%FBS
