

Phenolic Compounds Assay Kit (Colorimetric)

Catalog Number: EK0302

Product Size: 1 KT

Price: [Online Inquiry](#)

Product Information	
Storage Temperature	-20°C
Shipping Conditions	Gel ice pack.
Detection Method	Colorimetric
Usage	Sufficient for 200 colorimetric tests.
Description	Phenolic compounds are phytochemical secondary metabolites. They can be found abundantly in plants, fruits, and vegetables. Phenolic compounds can act as antioxidants to provide protect effects against cancer, cardiovascular diseases, and neurodegenerative diseases. Phenolic Compounds Assay Kit (Colorimetric) can be used to measure phenolic compounds in various samples, such as plant extracts, foods, fruits, and vegetables.
