

## DMSO (Anhydrous)

**Catalog Number:** BC-0702

**CAS Number:** 67-68-5

**Price:** [Online Inquiry](#)

| Catalog Number | Price                          |
|----------------|--------------------------------|
| BC-0702        | <a href="#">Online Inquiry</a> |

| Product Information |                                                                 |
|---------------------|-----------------------------------------------------------------|
| Molecular Formula   | C <sub>2</sub> H <sub>6</sub> OS                                |
| Molecular Weight    | 78.13                                                           |
| Purity              | ≥ 99.9%                                                         |
| SMILES              | CS(=O)C                                                         |
| InChi               | InChI=1S/C2H6OS/c1-4(2)3/h1-2H3                                 |
| InChi Key           | IAZDPXIOMUYVGZ-UHFFFAOYSA-N                                     |
| Alternate Name      | Dimethyl sulfoxide; Methylsulfinylmethane; Sulfinylbis(methane) |
| Appearance          | Colorless                                                       |

| Properties          |                              |
|---------------------|------------------------------|
| Storage Conditions  | RT                           |
| Shipping Conditions | RT                           |
| Solubility          | Completely miscible in water |
