| Product Information |                                                                                                                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Molecular Formula   | C <sub>32</sub> H <sub>36</sub> N <sub>4</sub> O <sub>3</sub>                                                                                                                                                    |
| Molecular Weight    | 524.66                                                                                                                                                                                                           |
| Purity              | ≥98% by HPLC                                                                                                                                                                                                     |
| SMILES              | CCCCC1=NC2=C(N1CC3=CC=C(C=C3)C4=CC=CC=C4C(=O)O)C=C(C=C2)NC(=O)NC5CCCCC5                                                                                                                                          |
| InChi               | InChI=1S/C32H36N4O3/c1-2-3-13-30-35-28-19-18-25(34-32(39)33-24-9-5-4-6-10-24)20-29(28)36(30)21-22-14-16-23(17-15-22)26-11-7-8-12-27(26)31(37)38/h7-8,11-12,14-20,24H,2-6,9-10,13,21H2,1H3,(H,37,38)(H2,33,34,39) |
| InChi Key           | OLQFKFSAJNUOPT-UHFFFAOYSA-N                                                                                                                                                                                      |
| Alternate Name      | 4'-((2-Butyl-6-(((cyclohexylamino)carbonyl)amino)-1H-benzimidazo-1-yl)methyl)-(1,1'-biphenyl)-2-carboxylic acid                                                                                                  |
| Appearance          | Crystalline solid                                                                                                                                                                                                |

| Properties          |          |
|---------------------|----------|
| Storage Conditions  | -20°C    |
| Shipping Conditions | Gel Pack |
| Solubility          | DMSO     |
