

## mMgII gRNA3 KO plasmid

**Catalog Number:** GP00005

**Price:** [Online Inquiry](#)

| Product Information     |                        |
|-------------------------|------------------------|
| Product Name            | mMgII gRNA3 KO plasmid |
| gRNA sequence           | TCCTGGTAGGGAACATTCTG   |
| Gene                    | mMgII                  |
| Gene ID                 | 23945                  |
| Fluorescence/resistance | EGFP/Hygro             |
| Vector type             | Lentiviral vector      |
| specification           | 1ml/tube               |
