| Product Information |                                                                                                                                                                           |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Molecular Formula   | C <sub>22</sub> H <sub>21</sub> ClN <sub>6</sub> O <sub>2</sub>                                                                                                           |
| Molecular Weight    | 436.9                                                                                                                                                                     |
| Purity              | ≥98% by HPLC                                                                                                                                                              |
| SMILES              | CCCCC1=NC(=C(N1CC2=CC=C(C=C2)C3=CC=CC=C3C4=NNN=N4)C(=O)O)Cl                                                                                                               |
| InChi               | InChI=1S/C22H21ClN6O2/c1-2-3-8-18-24-20(23)19(22(30)31)29(18)13-14-9-11-15(12-10-14)16-6-4-5-7-17(16)21-25-27-28-26-21/h4-7,9-12H,2-3,8,13H2,1H3,(H,30,31)(H,25,26,27,28) |
| InChi Key           | ZEUXAIYYDDCIRX-UHFFFAOYSA-N                                                                                                                                               |
| Alternate Name      | 1-((2'-(1H-tetrazol-5-yl)-[1,1'-biphenyl]-4-yl)methyl)-2-butyl-4-chloro-1H-imidazole-5-carboxylic acid; Losartan carboxylic acid                                          |
| Appearance          | Off-white solid                                                                                                                                                           |

| Properties          |                  |
|---------------------|------------------|
| Storage Conditions  | -20°C            |
| Shipping Conditions | Gel Pack         |
| Solubility          | DMSO (>20 mg/ml) |
