

## hFGF12 gRNA3-gRNA4 KO plasmid

**Catalog Number:** GP01194

**Price:** [Online Inquiry](#)

| Product Information     |                                           |
|-------------------------|-------------------------------------------|
| Product Name            | hFGF12 gRNA3-gRNA4 KO plasmid             |
| gRNA sequence           | TAGGTAATTAATGCTGGTGC,GTGTGTGAACTACCACTGAG |
| Gene                    | hFGF12                                    |
| Gene ID                 | 2257                                      |
| Fluorescence/resistance | EGFP/puro                                 |
| Vector type             | Conventional vector                       |
| specification           | 1ml/tube                                  |
