

## hKHDRBS1 gRNA3 KO plasmid

**Catalog Number:** GP02601

**Price:** [Online Inquiry](#)

| Product Information     |                           |
|-------------------------|---------------------------|
| Product Name            | hKHDRBS1 gRNA3 KO plasmid |
| gRNA sequence           | AGCCGCTACGGCCCGAAGAC      |
| Gene                    | hKHDRBS1                  |
| Gene ID                 | 10657                     |
| Fluorescence/resistance | EGFP/puro                 |
| Vector type             | Lentiviral vector         |
| specification           | 1ml/tube                  |
