

## hIL6ST gRNA1-gRNA2 KO plasmid

**Catalog Number:** GP02772

**Price:** [Online Inquiry](#)

| Product Information     |                                           |
|-------------------------|-------------------------------------------|
| Product Name            | hIL6ST gRNA1-gRNA2 KO plasmid             |
| gRNA sequence           | CTAATGACTTCTATCCTCGC,GATCATTCTGGGCATTTATG |
| Gene                    | hIL6ST                                    |
| Gene ID                 | 3572                                      |
| Fluorescence/resistance | EGFP/puro                                 |
| Vector type             | Conventional vector                       |
| specification           | 1ml/tube                                  |
