

## hINF2 gRNA1 KO plasmid

**Catalog Number:** GP03019

**Price:** [Online Inquiry](#)

| Product Information     |                        |
|-------------------------|------------------------|
| Product Name            | hINF2 gRNA1 KO plasmid |
| gRNA sequence           | CAGCGACAACGTGCCCTACG   |
| Gene                    | hINF2                  |
| Gene ID                 | 64423                  |
| Fluorescence/resistance | EGFP/Hygro             |
| Vector type             | Lentiviral vector      |
| specification           | 1ml/tube               |
