

## hRAB1A gRNA1 KO plasmid

**Catalog Number:** GP04223

**Price:** [Online Inquiry](#)

| Product Information     |                                  |
|-------------------------|----------------------------------|
| Product Name            | hRAB1A gRNA1 KO plasmid          |
| gRNA sequence           | TACTTCTGATTGGCGACTCAGGG(68,0.69) |
| Gene                    | hRAB1A                           |
| Gene ID                 | 5861                             |
| Fluorescence/resistance | EGFP/Puro                        |
| Vector type             | Lentiviral vector                |
| specification           | 1ml/tube                         |
