

## Remogliflozin

**Catalog Number:** EI-1866

**CAS Number:** 329045-45-6

**Price:** [Online Inquiry](#)

| Product Information |                                                                                                                                                                                          |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Molecular Formula   | C <sub>23</sub> H <sub>34</sub> N <sub>2</sub> O <sub>7</sub>                                                                                                                            |
| Molecular Weight    | 450.53                                                                                                                                                                                   |
| Purity              | ≥98% by HPLC                                                                                                                                                                             |
| SMILES              | CC1=C(C(=NN1C(C)C)OC2C(C(C(C(O2)CO)O)O)O)CC3=CC=C(C(=C3)OC(C)C                                                                                                                           |
| InChi               | InChI=1S/C23H34N2O7/c1-12(2)25-14(5)17(10-15-6-8-16(9-7-15)30-13(3)4)22(24-25)32-23-21(29)20(28)19(27)18(11-26)31-23/h6-9,12-13,18-21,23,26-29H,10-11H2,1-5H3/t18-,19-,20+,21-,23+/m1/s1 |
| InChi Key           | GSINGUMRKGRYJP-VZWAGXQNSA-N                                                                                                                                                              |
| Alternate Name      | (2R,3S,4S,5R,6S)-2-(hydroxymethyl)-6-(4-(4-isopropoxybenzyl)-1-isopropyl-5-methyl-1Hpyrazol-3-yl oxy)tetrahydro-2H-pyran-3,4,5-triol                                                     |
| Appearance          | White solid                                                                                                                                                                              |

## Properties

|                     |                  |
|---------------------|------------------|
| Storage Conditions  | -20°C            |
| Shipping Conditions | Gel Pack         |
| Solubility          | DMSO (>40 mg/ml) |
