

## 9-(octylthio)-nonanoic acid

**Catalog Number:** LP-0568

**CAS Number:** 105099-89-6

**Price:** [Online Inquiry](#)

| Catalog Number | Price                          |

| Product Information |                                                                                              |
|---------------------|----------------------------------------------------------------------------------------------|
| Molecular Formula   | C17H34O2S                                                                                    |
| Molecular Weight    | 302.52                                                                                       |
| Purity              | >98%                                                                                         |
| SMILES              | <chem>O=C(O)CCCCCCCCSCCCCCCCC</chem>                                                         |
| InChi               | InChI=1S/C17H34O2S/c1-2-3-4-5-9-12-15-20-16-13-10-7-6-8-11-14-17(18)19/h2-16H2,1H3,(H,18,19) |
| InChi Key           | InChIKey=OMIBNTWPNMKIGZ-UHFFFAOYSA-N                                                         |
| Alternate Name      | 9-(Octylthio)nonanoic acid, 10-Thiastearic acid                                              |
| Appearance          | Solid                                                                                        |
| IUPAC Name          | Nonanoic acid, 9-(octylthio)-                                                                |

| Properties         |         |
|--------------------|---------|
| Storage Conditions | Freezer |
