

## CLEC2A Knockout cell line (BEAS-2B)

**Catalog Number:** KOA18144

| Product Information        |                                                                                                                                                                             |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Name               | CLEC2A Knockout cell line (BEAS-2B)                                                                                                                                         |
| specification              | 1*10 <sup>6</sup>                                                                                                                                                           |
| Storage and transportation | Shipped on dry ice; Store in liquid nitrogen                                                                                                                                |
| Cell morphology            | Epithelial-like, adherent                                                                                                                                                   |
| Passage ratio              | 1:3~1:4                                                                                                                                                                     |
| species                    | Human                                                                                                                                                                       |
| Gene                       | CLEC2A                                                                                                                                                                      |
